

# SUMMERFEST

## SERIES OVERVIEW

Woo hoo! It's Summerfest time again!!! This year as we invite our kids and students to worship with the adults in "big church," we're going to explore four stories of amazing children in the Bible. As we'll see, although each of these kids are young, they have a lot to teach us because of their extraordinary faith. Their experiences are a reminder that we are never too young to be an important and faith-filled instrument of God!

## WEEK 1 - DAVID THE YOUNG SHEPHERD WARRIOR OVERVIEW

One of the most famous stories of a kid in the Bible has to be that of the young shepherd boy, David (the future *King* David), as he fights and defeats the mighty Philistine warrior Goliath. And with nothing more than a stone and a sling, no less. David's story is a reminder that it is not human might and power which truly counts in this world, but faith in God. What might happen if we all learned to trust in God's protection instead of our own self-sufficiency, as David did?

*You come to me with sword, spear, and javelin, but I come to you in the name of the LORD of Heaven's Armies... everyone assembled here will know that the LORD rescues his people, but not with sword and spear.*

**1 Samuel 17:45, 47**
