WEEK 3 - JONAH PROPHECIES TO NINEVEH OVERVIEW

When Jonah finally arrives in Nineveh, he gives his prophecy. With no opportunity for repentance in his message, Jonah simply declares the city will soon be destroyed. To his surprise (and great disappointment) the Ninevites respond immediately to this message with repentance from their evil ways, causing God to relent and not destroy it.

Unlike the story of Sodom, in which Abraham pleads with God to spare the city, Jonah *wants* the city destroyed. He hates the Ninevites. And yet, the Lord recognizes true repentance when he sees it. The story highlights the mercy and grace of God. It should bring us all to a place of sober reflection about our own hatred and hard-heartedness towards others and remind us of the teachings of Jesus to *love* our enemies and the compassionate nature of our God.

*When God saw what they had done and how they had put a stop to their evil ways,
he changed his mind and did not carry out the destruction he had threatened..*

Jonah 3:10
